

Dear Khubim

I'm afraid it is not possible for us to issue you with a letter for renewal of your study visa, as you are not a registered student of the Institute.

As I understand it, you are applying for an Exit Award, which will be considered at the January exam board.

On receipt of your Exit Award, you can then apply for a 1G Graduate Visa from home-country in January 2023, with a view to returning to Ireland for work-purposes.

DkIT International Office can at that stage support with a 1G Graduate Support Letter when you have received your Level 9 Exit Award.

Kind regards
Noreen

Ms. Noreen Carney
